This notice, by itself, does not grant any immigration status or benefit, nor is it evidence that this case is still pending. However, this Notice of Action automatically extends the validity of your Employment Authorization Document (EAD) for up to 180 days from the expiration date printed on the front of the card and can be used for employment eligibility verification (Form I-9) purposes if:

- You have timely filed to renew your current Form I-766, Employment Authorization Document (EAD);
- Your EAD renewal is under a category that is eligible for an automatic 180-day extension (see uscis.gov/i-765 for a list of categories);
- The category on your current EAD matches the "Class Requested" listed on this notice (if you are a TPS beneficiary or applicant, your EAD and this notice must contain either the A12 or C19 category, but they do not need to match each other); and
- You do not receive your renewal EAD before your current EAD expires.

If we deny your renewal application, the automatic extension immediately ends and cannot be used for Form I-9 purposes. If your EAD is a combo card, the automatic extension does not apply to advance parole.

Notice Type: Approval Notice
Valid from: 05/05/2021 to 05/04/2023

We have mailed an official notice about this case (and any relevant documentation) according to the mailing preferences you chose on Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative. This is a courtesy copy, not the official notice.

What the Official Notice Said**Notice of Deferred Action:**

This notice is to inform you regarding U.S. Citizenship and Immigration Services's (USCIS) decision on your Form I-821D, Consideration of Deferred Action for Childhood Arrivals.

USCIS, in the exercise of its prosecutorial discretion, has decided to defer action in your case. *Deferred action is an exercise of prosecutorial discretion by USCIS not to pursue the removal of an individual from the United States for a specific period. Deferred action does not confer or alter any immigration status.*

Unless terminated, this decision to defer removal action will remain in effect for the duration of the validity period noted above.

This notice does not constitute employment authorization, nor may it be used in place of an Employment Authorization Document. The 90-day period for reviewing Form I-765, Application for Employment Authorization, filed together with Form I-821D begins as of the date of this approval notice. If Form I-765 is granted, you will receive your Employment Authorization Document separately by mail. Subsequent criminal activity after your case has been deferred is likely to result in termination of your deferred action. This notice does not provide permission to travel outside of the United States.

You are required to notify USCIS if you change your address. You may use the Alien's Change of Address Card, Form AR-11, to report a new address. That form may be found at www.uscis.gov. There is no fee for this change of address form.

NOTICE: USCIS and the U.S. Department of Homeland Security (DHS) reserve the right to verify the information submitted in this request and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of the verification will be used to determine whether termination of deferred action and/or removal proceedings are appropriate if, for example, the requestor committed fraud or misrepresentation in his or her request for consideration of deferred action for childhood arrivals, or engaged in subsequent criminal activity following the submission of his or her request. Individuals for whom removal action is deferred under Deferred Action for Childhood Arrivals may, in the sole discretion of USCIS and DHS, be provided an opportunity to address derogatory information before deferred action is terminated and/or removal proceedings are initiated.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

1 Texas also referenced. The Government's efforts to fortify
2 DACA and to address some of the infirmities that he perceived
3 and he expressed his understanding that they would be doing
4 so promptly.

5 As we described in our letter, there was a notice
6 of proposed rule making. The states provided a comment
7 letter is, and so, that is another development that is
8 ongoing. Your Honor referred earlier to developments that
9 are ongoing that may resolve this and we believe the rule
10 making to be another source of potential relief for the
11 plaintiffs here.

12 THE COURT: I see. Well, before I held this job I
13 was Chief Counsel of the Federal Aviation Administration in
14 Washington and I'm very familiar with how rule makings tend
15 to meander through the system and have to be carefully
16 considered and revised and proposed and received, comment,
17 and then issued. So I don't know where the Department of
18 Homeland Security is on rule making but this provides me with
19 a momentary opportunity to find out where the rule making is
20 that that has now been referenced.

21 MR. PEZZI: Sure, your Honor.

22 THE COURT: Mr. Pezzi.

23 MR. PEZZI: Ms. Dasgupta is correct. There was a
24 notice of proposed rule making issued in September of 2021.
25 The comment period closed, I believe, in November of 2021.

Status Conference

19

1 It's a lengthy notice of proposed rule making, I'm sure many
2 of the folks on the other side have read it. There were
3 about 16,000 or so comments that were submitted as I
4 understand it and the agency is going through those comments
5 as it is required to do under the APA. And beyond that, I am
6 unable, of course, to prejudge the final outcome of that rule
7 making but it is under active consideration with the
8 Department of Homeland Security.

9 THE COURT: Thank you. And if a rule is issued,
10 then it would be subject to litigation as well. So, you
11 know, where in a -- this issue is definitely of the future of
12 DACA is definitely in flux. I understand that, you all
13 understand that, and the possibility of there being a
14 legislative solution which is where we started on this, where
15 I begged Congress to find a legislative solution, seems to
16 have been unrequited, if you will, and I don't know what will
17 happen. But I'm glad that you mentioned the rule making
18 which is, you know, if a rule is issued, I'm sure we'll all
19 hear about it.

20 I'm going to ask the Government to let me know if
21 there's a new rule and then maybe this is all, you know, this
22 whole all this litigation can be mooted by a rule. There's a
23 new rule but then there will be more litigation I assume at
24 some point.

25 MS. DASGUPTA: Precisely, your Honor. That was our
